

## EXPECTATIONS and AGREEMENT

**A Marymoor Composter and Recycling Volunteer represents King County Department of Parks and Natural Resources—a courteous and professional manner is expected before, during, and after a volunteer shift.**

Volunteers assist concert-goers in redirecting more than half of the waste generated at concerts from the landfill to the compost and recycling stream. Volunteers educate concert-goers about recyclable and compostable materials and assist them in using appropriate bins at the sorting stations. Volunteers also sort non-trash materials from other bins and help keep the Marymoor concert venue free of litter.

Concerts are held rain or shine. Volunteers should dress appropriately for the weather and wear comfortable clothes and shoes appropriate for walking on uneven, grassy ground. A volunteer will stand during most of the shift and are required to do some lifting and rolling of heavy carts.

In exchange for work to safeguard the environment, volunteers receive free entry and parking to the shows at which they volunteer. Volunteers will be able to watch the show before or after their shift and are able to hear the entire concert. Breaks are allowed, and water and snacks will be provided at the volunteer tent. Food, coffee, and other beverages are available for purchase at the venue.

Concerts are filled on a first-come first-serve basis. Shift choice may not always be granted or available. Shift times subject to change.

**CHANGE All volunteers at each concert are required to participate in the 30-minute post-concert clean-up. Clean-ups will never extend beyond 10:30 p.m.**

Volunteers must wait until the audience gates open to “save your spot” in the general seating area. Volunteers are not allowed in backstage areas or green room stations.

The drinking of alcohol or using marijuana during a shift or arriving ‘under the influence’ is prohibited. Volunteers who do so will be asked to leave and can no longer volunteer for future concerts.

King County Parks is not responsible for lost or stolen valuables. Volunteers will be under the same rules as other concert-goers for restricted items.

Thank you for joining the volunteer crew and doing your part to reduce, reuse, and recycle materials that would otherwise be sent to the landfill.
